Alessia Hatch

Favourite Bible Verse

2 Corinthians 12:9 - "My grace is all you need, for my power is the greatest when you are weak."

Biggest Achievement This Year

My biggest achievement is how I presented my work on slide shows. In the beginning of the year I was fine at it, but now I know that I can make my presentations look amazing.

Advice for Future Students

My advice for future students is that they should never talk when Mr. V is talking and always try your best on whatever project they are doing, even if they really don't like it.

Favourite Bible Verse

Psalms 8:1-9. This was my greatest Bible memory accomplishment, with a total of 163 words, all of which I learned at one time. That's why Psalms 8:1-9 are my favourite verses.

Favourite Memory from ACS

My favourite memory was the ACS Museum Night. It was fun to work in small groups to put together a class in the 70's theme. It was fun to run a mini pawn shop and finger trap people.

Favourite Subject and Why

Science, because I find it interesting, and filled with tons of cool facts. I particularly found solar eclipses and other space themes interesting

Justin Myrdal

Favourite Bible Verse

Espheians 2:8-9 - "For by grace you have been saved through faith, and this is not from you; it is the gift of God; it is not from works, so no one may boast."

Favourite Memory from ACS

My favourite memory from ACS is when we went fishing last year and I got to catch a few fish.

Biggest Achievement This Year

I got first place in the 1500 meter race at a track meet.

Kalan Vandenbrink

Favourite Bible Verse

Joshua 1:9 - "I hereby command you: Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go."

Favourite Subject and Why

Mrs. de Waal is so amazed at my coding skills that I became a helper for coding. I kept coding through summer after Grade Six. Making games, animations, and other stuff was too much fun.

What I Will Miss Most About ACS

I will really miss everything I had in this school year. All these subjects, information, sports, and coding helped my mind grow brightly.

Favourite Bible Verse

Psalms 23. I love this Psalm because it reminds me to trust in God and to never be scared of the future because God is on my side.

Favourite Memory from ACS

My favourite memory was the ACS Round-Up. I loved dancing and going on the mechanical bull. I will never forget that night!

Advice for Future Students

My advice is that you can never go back and relive a day. You can only live a day once. So make it a good day, no matter how down you feel. Make it a good day because one day you'll look back and regret it if you don't.

Thank You to our Volunteers!

Our school board puts in many unseen hours, working behind the scenes to make sure that our school functions well now and will continue to offer a Christ-centered education well into the future. Thank you Tanya Pranger, Roger te Velde, Karina Glasmann, Rebecca Love and Josh Vanden Eykel.

Thank you to our PAC, who have also worked diligently to support our students. They have organized hot lunches and fundraisers, and hosted all-school events. Their tasks seemed to be endless, but the smiles from the people they served tell of a job well done. Thank you PAC for all you do!

Thank you to the Development Committee for all their hard work and planning that went into our 60th Anniversary Round-Up event!

Thank you to all the parents and grandparents who supported our students in field trips and the classroom!
