NOVEMBER 2024

Highlights from our C.A.R.E. Campaign Celebration!

Thank you to everyone who came out to our Community Family Fun Night! We listened to choirs perform, enjoyed good food, won prizes playing BINGO, ate lots of popcorn in the movie room, had fun with beading crafts and temporary tattoos, got tangled up playing Twister, and even had some quieter play time with LEGO and trains! It was a wonderful evening filled with lots of smiles and laughter!

WEDNESDAY, DEC. 18 AT 11:00 A.M. & 6:30 P.M.

An **inside**look ... into Grade 6/7.

Discover, Grow, and Thrive Through the Wonderful World of Sport

Daily physical activity and sports play a key role in the lives of every student at Agassiz Christian School. In addition to having P.E. every day, our Grade 6/7 students have the opportunity to participate in a variety of sports disciplines throughout the year.

We get into the swing of things quickly. From the very first day of school, Grade 6/7 students begin running laps after recess and lunch to keep their blood flowing and prepare for the Cross-Country Event at Bear Creek Park in Surrey. This year, the Grade 4/5 class joined in the training, creating a friendly sense of competition that has encouraged students to run faster than ever before.

Our first sports activity of the year was soccer, with all students from Grades 4 to 7 participating. We joined the local schools' league, competing against four different teams. The boys' team finished the season undefeated, while the girls' team lost only one match. During the Christian Elementary School Sports Tournament, our players demonstrated incredible growth compared to previous years. They showed not only improved skills but also remarkable character and resilience during challenging matches.

As soccer season wrapped up, we transitioned seamlessly into preparing for Tripleball, which is currently in full swing. Students from Grades 5 to 7 have worked diligently to hone their skills for the tournaments. Just like in soccer, our students have shown significant improvement and determination, and we were excited to see the results of their hard work.

The Cross-Country Event at Bear Creek Park is always a highlight for both students and teachers. This special event brings together 1,387 students from 23 Christian schools across B.C., who run a 2 km course through the park's picturesque trails. This year, our students displayed the fruits of their lunchtime and recess training, earning second place in the 'C' schools division and winning the Grade 6 girls' and Grade 5 boys' races.

Looking ahead, students will have opportunity to participate in basketball, badminton, floor hockey, touch rugby, and track and field. Each sport brings new challenges and exciting moments for our students to shine.

At Agassiz Christian School, we are reminded that every talent, skill, and opportunity is a gift from God. Whether running, jumping, or playing as a team, we do so to glorify Him. Sports provide a wonderful way for students to celebrate God's blessings, both in victory and in learning from challenges. Through teamwork, perseverance, and joy, we live out the words of Colossians 3:23, "Whatever you do, work at it with all your heart, as working for the Lord."

Sports at Agassiz Christian School go beyond physical activity - they're a journey of discovery, growth, and gratitude. Each game, practice, and event allows our students to develop skills, build confidence, and foster life-long friendships. As we look ahead to the rest of the year, we celebrate the amazing achievements so far and trust in God's plans for the seasons yet to come. Together, we are discovering, growing, and thriving for His glory.
